

# OUTDOOR EDUCATION/P.E. TEACHER

Full time (2021/22 School year)

Whistler Waldorf School in beautiful Whistler, BC is currently seeking an experienced, **full-time Outdoor Education / P.E. Teacher** to teach Physical Education to all grades, coordinate the High School Outdoor Education Program and coach Waldorf's Basketball team starting this August 2021.

## This position offers successful candidates:

- Competitive wages commensurate with experience and education.
- Training and financial support for ongoing educational experiences or certification in Waldorf education.
- Compensation package including medical and dental benefits, life, and disability insurance
- Partial tuition remission\* for your children in Pre-k-Grade 12 (*\*dependent on contracted hours*).
- An Inspiring and creative work environment with mentorship programs, peer-to-peer support sessions and community/group teaching opportunities.

## The perfect candidate will be:

- Fully certified (or be eligible to apply for a license) to practice teaching with a BC Teaching Certificate (through the Ministry of Education's teacher regulation branch), with a Bachelor of Education, or equivalent university graduation/specialization.
- Certified and/or trained in Waldorf Education or have a willingness to become Waldorf teacher trained.
- Qualified with 2+ years of teaching experience; a French language speciality &/or second teachable subject.
- Collaborative with excellent communication skills with the ability to foster professional relationships between teacher & parents and work well with other Faculty/ Administrative Staff colleagues.
- Open-minded towards different approaches to early learning and a commitment to self-development and an openness to feedback..
- Legally entitled to work in Canada &/or apply for a work permit or be a Canadian citizen/resident\*.

Interested candidates are asked to **submit your cover letter, resume and three reference letters to [principal@whistlerwaldorf.com](mailto:principal@whistlerwaldorf.com)**. Applications will be accepted until positions are filled. Thank you for your interest! Only those selected for an interview will be contacted. *\*Please note: WWS administers a Criminal Record Check for the vulnerable sector for all staff as part of school policy.*

## More about this opportunity with WWS:

---

WWS is a non- secular, non-denominational, non-for-profit, B.C. Ministry of Education certified independent school. We invite you to live the mountain resort lifestyle while immersing yourself in a career of passion and learning that supports the development of our future generations. This is a fantastic opportunity to teach grade and high school students physical education classes and field trips during the school year, as well as organizing the outdoor education program at Waldorf, which includes 3-4 outdoor learning trips as well as one Gr.12 International Service Trip. You are an enthusiastic, collaborative, and organized teacher who will be responsible for planning and delivering curriculum in an organized and efficient manner and working to foster an inner sense of wonder and the love of learning. A Bachelor of Physical/Outdoor Education and/or Outdoor Ed. Program Certification is a benefit for this position. You will notice the difference as soon as you visit Whistler Waldorf School. Our faculty & staff support each other in ways that enhance individual professional development and that support our students' academic and social-emotional success. Our educational dialogues are meaningful, and we aspire to the higher aims of our work for mutual inspiration. More details at [whistlerwaldorf.com/employment](http://whistlerwaldorf.com/employment)
